A person is working at a wooden desk in a dimly lit room. On the desk, there is a computer monitor displaying a graphic design with the text "Travel TIME." and illustrations of a coffee cup and a glass. A white keyboard is in front of the person. To the left, there is a pen holder with several pens and pencils. A tablet is open on the desk, and the person's hands are visible, one holding a pen and the other on the keyboard. There are also some color swatch cards and a small figurine on the desk. The word "GRAPHICS" is overlaid in a white box in the center of the image.
